Charges to be made

All Saints' First School, Leek will take the following costs into account when determining charges:

- energy and other utilities
- caretaking and cleaning and other support services costs
- wear and tear on equipment;
- use of consumables.

A receipt will be issued.

Lettings Rate

The Governing Body has agreed that the rate for lettings of the school premises of £20 per hour. A returnable deposit of £50 is required to cover any cleaning or repairs which may be incurred if the premises are not left in original condition. Any other specific charges for extra expenses incurred will be agreed prior to the letting being confirmed.

VAT on Lettings Charges

Any use of the school/community room/s or hall (if the kitchen, kitchenette is not used or the hall is not used for a sporting activity) will be VAT free. Charges for the school and community rooms with the use of the kitchen, kitchenette and/or for sporting activities may include VAT charged at standard rate. The following VAT guidance will be used to determine whether VAT is chargeable:

Room Hire Other than Sporting or Recreation Use

Charges for use of education premises as polling stations are not subject to VAT.

Charges for halls, classrooms, cloakrooms are normally exempt from VAT where no additional facilities are provided.

Where additional facilities (e.g. catering facilities) are provided in conjunction with the letting of rooms or the letting is for the hire of sports facilities these should be separately identified and invoiced at standard rate.

Hire of Facilities for Sport and-Physical Recreation

The short term hire of sports grounds and premises designed or adapted for playing any sport or taking part in physical recreation is generally a standard rated supply. Premises count as sports facilities if they are designed or adapted for playing any sport or taking part in physical recreation, i.e. if they have fixed basketball nets for instance. The presence of floor markings for say Badminton does not however mean that a general purpose hall would necessarily be construed as representing sports facilities but where the Hall is hired for sporting purposes the hire should of course be standard rated. Changing rooms hired incidentally to sports facilities carry the same liability as the sports facility itself.

Certain lets of sports facilities are exempt where the granting of the facilities is for:

- a) A continuous period of use exceeding twenty-four hours; or
- b) A series of ten or more periods, whether or not exceeding twenty-four hours in total, where the following conditions are satisfied:
 - Each period is in respect of the same activity carried on at the same place;
 - The interval between each period is not less than one day and not more than fourteen days;

- The hire charge is paid for the whole series and is so evidenced in the written agreement;
- The grantee has exclusive use of the facilities;
- The grantee is a school, an association, a club or an organisation representing affiliated clubs or constituent associations (i.e. is a non-profit making voluntary body);
- All other lettings for periods of use of twenty-four hours or less will be standard rated;
- The position in the event of cancellations of hire periods or variation of the duration of individual lettings is especially complex and advice should be sought.
