Child's Name _____

Written Consent Form for Ear Rings and other items of Jewellery.

I understand that on health and safety grounds All Saints' CE(A) First School policy is that children should not wear ear rings or other jewellery in school. I am aware of the safety hazards associated with the wearing of jewellery within school particularly at break times, and that the school's prime responsibility is for the safety of the pupils.

However, I specifically wish my child to wear ear rings/jewellery for religious, cultural or other purposes and take full responsibility in these circumstances, including during lesson times and break times.

Please tick one box...

I agree to my child removing their own ear rings/jewellery prior to a Physical Education lesson.

I agree to removing my child's jewellery on the days they do Physical Education.

I understand that if the ear rings/jewellery is not removed teaching staff will ensure safety for both the wearer and other participants. This may require some task differentiation. However in many cases a child would be removed from the "physical" element of part of a lesson where safety is compromised.

Taping of jewellery can create a perception of safety and is not recommended. Tape can often fall off and does not reduce the risk of compression injury.

Signed _____

I confirm that I have parental responsibility
