

Maths coverage		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	Baseline						
Reception  + reasoning problems within each area	Number, counting and recognition						
	Addition and subtraction inc empty box						
	Multiplication and division						
	Fractions						
	2D shape inc symmetry						
	3D shape						
	Position and direction						
	Measures money						
	Measures time						
	Measures length						
	Measures mass						
	Measures capacity						
	Statistics data						
			Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1
Reception/Year 1  + reasoning problems within each area	Number and Place value						
	Addition and subtraction inc empty box						
	Multiplication and division						
	Gaps-4 operations						
	Fractions						
	2D shape inc symmetry						
	3D shape						
	Position and direction						
	Measures money						
	Measures time						
	Measures length						
	Measures mass						
	Measures capacity						
	Statistics data						
		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Y1	Number and Place value						
	Addition and subtraction inc empty box						

+ reasoning problems within each area	Multiplication and division						
	Gaps - 4 operations						
	Fractions						
	2D shape inc symmetry						
	3D shape						
	Position and direction						
	Measures money						
	Measures time						
	Measures length						
	Measures mass						
	Measures capacity						
	Statistics data						
		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Y2  + reasoning problems within each area	Number and Place value						
	Addition and subtraction inc empty box						
	Multiplication and division						
	Gaps- 4 operations						
	Fractions						
	2D shape inc symmetry						
	3D shape						
	Position and direction						
	Measures money						
	Measures time						
	Measures length						
	Measures mass						
Measures capacity							
Statistics data							
		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Y2/3	Number and Place value						
	Addition and subtraction inc empty box						
	Multiplication and division						
	Gaps-4 operations						

+ reasoning problems within each area	Fractions						
	2D shape inc symmetry						
	3D shape						
	Position and direction						
	Measures money						
	Measures time						
	Measures length						
	Measures mass						
	Measures capacity						
	Statistics data						
		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 3/4  + reasoning problems within each area	Number and Place value						
	Addition and subtraction inc empty box						
	Multiplication and division						
	Gaps-4 operations						
	Fractions						
	2D shape inc symmetry						
	3D shape						
	Position and direction						
	Measures money						
	Measures time						
	Measures length						
	Measures mass						
	Measures capacity						
Statistics data							
		Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 4  + reasoning problems within eacarea	Number and Place value						
	Addition and subtraction inc empty box						
	Multiplication and division						
	Gaps-4 operations						
	Fractions						
	2D shape inc symmetry						
	3D shape						

	Position and direction						
	Measures money						
	Measures time						
	Measures length						
	Measures mass						
	Measures capacity						
	Statistics data
