Dear Parents/Carers

## **Summer Holiday Provision**

Further to my previous letter, I would like to up-date you on Summer Holiday provision after school closes on 17 July.

In order to comply with the government's guidelines of 'social bubbles', and taking into account the 2m social distancing ruling, we have been liaising with school to determine the safest way to operate holiday club, keeping our staff and children safe and we feel that Kids Club will be able to accommodate 15 children. Initially, we will prioritize childcare for Keyworkers during the holiday, however, we will also draw up a 'reserve' list for other parents requesting holiday club. If we feel numbers are viable we will consider using the school Nursery for a group of children.

With this in mind we would ask all Keyworkers to let us know their requirements for the summer holidays as soon as possible to secure a place. Once Keyworkers children have been booked in we will then offer places to other children.

We hope you will understand and be patient with us during these difficult times and we would like to thank you so much for your continuing support. We are doing all we can to ensure our staff, children and families remain healthy and safe until restrictions are lifted and we can begin the transition to normality.

Kind regards

*Suzanne Sheldon*
